

Jack In My Coke

The Lacs

She's a back road rider that pulls all nighter
She's the peddle to the floor that makes me hold on tighter
Couple shots of her and I start to lose control
She's the Jack in my Coke
(She's the Jack, she's the Jack)

I wake up every mornin' thankin' God that I found her
Can't control myself every time I come around her
She's my best friend, road dog and my homie
No need for lookin' cause she's my one and only
My crutch in my game ball, voice if I can't talk
Sexiest thing I've ever seen and that ain't all
Boy she can get down, handy with a gun
She's a deer lead shoots and hits em' on the run
She ain't the kind of girl that likes the ritzy little wine
She's the kind of girl that puts the chicken livers on the line
She catch the catfish, she skins em' up to fry
She's my baby, the reason why I love my life

She's a back road rider that pulls all nighter
She's the peddle to the floor that makes me hold on tighter
Couple shots of her and I start to lose control
Yeah she deserves all the finer things she desires
Thank God she's in love with this 9 to 5'er
She's a movie star and me I'm an Average Joe
She's the Jack in my Coke
(She's the Jack, she's the Jack)

My whiskey woman got it goin' on
We date back to 98' tastes kinda strong
But ya'll know everything is better with age
Pop a top on her and drink it for the rest of the day, that's right
You know that E&J is fine with me and cheap as hell
I've been sippin' on the bourbon up in Tennessee
Two or three shots of that and Imma' have to take a knee
Buy a ring then a spot we can chill
While keepin' stacking bottles we can get to pop and the seal
She got me buzzin' on the strongest stuff that I've ever found
Just a couple shots and then I end up chasin' her down

She's a back road rider that pulls all nighter
She's the peddle to the floor that makes me hold on tighter
Couple shots of her and I start to lose control
Yeah she deserves all the finer things she desires
Thank God she's in love with this 9 to 5'er
She's a movie star and me I'm just an Average Joe
She's the Jack in my Coke
(She's the Jack, she's the Jack)
(She's my one and only)
She's the Jack in my Coke
