

Hold On Tight

The Left Banke

(Hold on tight)
Well, here we go again
(There tonight)
When I'm with you
(Do it right)
Won't you hold on tight?

(Think I feel)
You truly must be real
(Must be real)
'Cause when I'm with you
(Do it right)
You really do it right

Well, that's just the way that the story goes
Just one look in your eyes and, baby, it shows

(Hold on tight)
It's gettin' very hot
(Love tonight)
Got all this feeling
(Feeling right)
Deep inside
(Deep inside)

(Tell me more)
I wanna know the score
(Know the score)
'Cause when we're together
(Gether more)
It's really love will show

Well, that's just the way that the story goes
Just one look in your eyes and, baby, it shows

Well, that's just the way that the story goes
Just one look in your eyes and, baby, it shows

(Hold on tight)
Well, here we go again
(There tonight)
When I'm with you
(Do it right)
Won't you hold on tight?

(Think I feel)
You truly must be real
(Must be real)
'Cause when I'm with you
(Do it right)
You really do it right

(Hold on tight)
Well, here we go again
(There tonight)
When I'm with you
(Do it right)

Won't you hold on tight?
