

My Friend Today

The Left Banke

Ah ah ah...

Lost in a maze
Cold are the days
Blaming the names
Aiming the blames

Is it he or is it she?
Who's been playing tricks on me?
Who's been trying constantly to be

My friend today?
My friend today
Who can I trust?
Where can I stay?
What can I say?

There in the rain
Long tired plan[?]
Dying to live
Living's a game

Is it he or is it she?
Who's been playing tricks on me?
Who's been trying constantly to be

My friend today?
My friend today
Who can I trust?
Where can I stay?
What can I say?

Ah ah ah...

My friend today
My friend today
Who can I trust?
Where can I stay?

My friend today
My friend today
Who can I trust?
Where can I stay?

My friend today
My friend today
