I wanna prove to you
My love is extended
My love never ended
My passion befriended
Your (Ba, ba, ba, ba, ba-ba, ba) heart
To be the same with you
Is love fully realised
When I look in your eyes
I'm not telling you lies

Baby, why won't you love me?
Sugar-girl, why won't you hug me?
I tried and I tried all my life all my life
To get you to see
Baby, I guess you're just not the one for me

I want to be with you
When my strength is tested
When I'm not invested
I haven't digested
What I said when all my sweetness went away and I could taste t
he darkness
All of my life waiting for someone
Finding their waves
Pulsate and drum up
Love in an ocean
Love and devotion

Baby, why won't you love me?
Sugar-girl, why won't you hug me?
I tried and I tried all my life all my life
To get you to be with me
Baby, I guess you're just not the one for me

I want to prove to you (Why won't you love me?)
I want to prove to you (Why won't you love me?)
I want to prove to you, what I can do
Prove to you what I can do
Yeah, yeah
