

Mind Escaper

The Lemon Twigs

Where will it be when the great implosion happens?
When will you see my obvious attractions?

I can observe that you're hung up on another
You won't believe you will soon discover

Strange that you can't see
All I claim to be
All that you can't see
All I claim to be

I don't know how to escape my mind
I don't know how to escape my mind
I don't know how to escape my mind
I don't know how to escape my mind
