

## Come Back D.A.

The Lemonheads

Now Satan is all over this world  
You want to find him  
I want to find him  
Now Satan is everything you are  
Everything I am  
When I pledge  
I'm not like you  
I'm not like him  
I'm so nice thing  
No such like him  
Now the soul he didn't see it  
He didn't mean it  
He didn't see it  
My Ruthie doll  
Blind as a bat  
Slow as a turtle  
I give up to you right now my lord
