

Stand

The Letter Black

Who I trust in you
To take me from my pain
every day.
Will I cast my fears, into your arms of love?
Everyday.

Heal me from the scars of life.
Breathe in me through this hard life(?)
Save me from the sins of man.
Pick me up so I can stand!

Will I live for you, to only do your will?
Everyday.
Will I let you lead, and take me through the path?
Everyday!

Heal me from the scars of life.
Breathe in me through this hard life(?)
Save me from the sins of man.
Pick me up so I can stand!

BREAK ME! BREAK! BREAK ME! BREAK!

Heal me from the scars of life.
Breathe in me through this hard life(?)
Save me from the sins of man.
Pick me up so I can stand!
