Knot Around The World

The Levellers

Take this cause and this lie Go tie a knot around the world Take up arms, it's your right To tie a knot around the world

If that's all you want
That's all you'll be
Statistically unknown to me

Cos its not what you fight Or how you win You're embracing the night When You Begin

A soldier, a hero. That's not what you became tonight A trophy, a figure. All on the News At Ten tonight

If that's all you want
That's all you'll be
Statistically unknown to me
