The Weed That Killed Elvis

The Levellers

The NATO bombs were like sleeping pills When I smoked the weed that killed Elvis I took enough to make me ill When I smoked the weed that killed Elvis I was public enemy number one When I smoked the weed that killed Elvis I chewed Semtex like bubble gum When I smoked the weed that killed Elvis

Now Slobodan was a tennis pro
When I smoked the weed that killed Elvis
I turned fuckin' Eskimo
When I smoked the weed that killed Elvis
I found a place where I could die
When I smoked the weed that killed Elvis
I found god but I lost an eye
When I smoked the weed that killed Elvis

Happiness was a girl I knew When I smoke
