

27 Days

The Like

27 days without you
27 days and counting
Waves of disappointment are mounting
Quiet moments feel like I'm shouting
Knew that you'd be leaving without me
Kills me that you're happy without me

Innocence was lost
Such a fucking curse
But still I hope you're thinking about me

Oh I wish that you were here
Oh I wish that you were here
Don't I wish that you were here
To keep me by your side
To keep me by your...

Never coming back but I'm waiting
Celebrate, I'm yours for the taking
Breathing out of sheer desperation
Missing everything I've forsaken

Soaking up the endless apologies
Suffering was simply a part of me
Now you're out of sight
You're out of mind
But still you know that I'm your property

Oh I wish that you were here
Oh I wish that you were here
Don't I wish that you were here
To keep me by your side
To keep me by your side

Oh I wish that you were here
(To keep me by your side)
Oh I wish that you were here
(To keep me by your side)
Don't I wish that you were here
(To keep me by your side)
To keep me by your side
To keep me by your side
