

# You're A Big Boy Now

The Lovin' Spoonful

I know there's things you never thought before  
That have to do with walkin' out old doors  
You've been prepared as long as time allowed.

Well I don't know how but you're a big boy now  
Come on and take a bow 'cause you're a big boy now.

You know the girls are taking notice of you  
They say your hair is getting curly too  
So shave today, you'll shave tomorrow as well  
You're run by you and not a class-room bell.

And I don't know how but you're a big boy now.

And the great big world daddy threw before you  
With the pretty faces and the claws that tore you  
And it's all so different when you get to sources  
And love will make you strong as a team of wild horses.

I know there's things you never thought before  
That have to do with walkin' out old doors  
You've been prepared as long as time allowed.

Well I don't know how but you're a big boy now  
Come on and take a bow 'cause you're a big boy now.

Come on and take a bow 'cause you're a big boy now
