

The Krill Whistle Their Fight Song

The Low Anthem

Wisdom is your deadly weapon
Chant the krill in tidal deadpan
Carry arrows to the sandman
Fill the fatty walls with arrows

Soon the pressure will dishevel
Tidy quivers depth bedeviled
Meet the boss, beat the level
Fill the fatty walls with arrows

Even in the rake of baleen
Feel the water fill with acid
Headed for the final passage
Fill the fatty walls with arrows
