

WHERE WE ARE

The Lumineers

Where we are (Where we are)
I don't know where we are (Where we are)
But it will be okay
Where we are (Where we are)
I don't know where we are (Where we are)
But it will be okay

Laying on a table like I wasn't even there
Holding on a steering wheel and coming up for air
What was that?
Driving in the rain, what was that?
Calling out your name

Staring at the ceiling fan, feeling far away
Leaning on the reasons like it wasn't even fair
What was that?
Driving in the rain, what was that?
Calling out your name

Where we are
I don't know where we are, but it will be okay
Where we are
I don't know where we are, but it will be okay

Crashed the car in Arizona, on the interstate
People pulling over, crying, thinking we were dead
What was that?
Driving in the rain, what was that?
Calling out your name

I don't know who you are, I'm here with you
Always holding up your tragedy

Where we are
I don't know where we are, but it will be okay
Where we are (Where we are)
I don't know where we are (Where we are)
But it will be okay
Where we are (Where we are)
I don't know where we are (Where we are)
But it will be okay
Where we are (Where we are)
I don't know where we are (Where we are)
But it will be okay
Where we are (Where we are)
I don't know where we are (Where we are)
But it will be okay (Okay)
Where we are (Where we are)
I don't know where we are (Where we are)
But it will be okay

Where we are
I don't know where we are, but it will be okay
