

Dear Jane

The Madden Brothers

I met you down on the lower east side
And this whole thing started when I just asked for your name
You said, "It's Jane"
Now we're three months, seven days into this thing
And I can't help thinking that it's all been in vain
Yeah, all in vain

Now, dear Jane, yeah I'm writing you to say we're no good toget
her
Oh Jane, yeah I'm going to find a way to float away like a feat
her
I don't want to hurt you but I got to make a change
Oh, all I can say is that I hope you feel the same
Dear, Jane

Oh, we can't make it from the bar way to prince
Without bumping into some other guy who says he's your friend
Just another friend, huh?
Want to go out when I want to stay in
You want me to love you but I just can't pretend
Just can't do it no more

Now, dear Jane, yeah I'm writing you to say we're no good toget
her
Oh Jane, yeah I'm going to find a way to float away like a feat
her
I don't want to hurt you but I got to make a change
Oh, all I can say is that I hope you feel the same
Dear, Jane

I never thought I would believe
That such a pretty thing, could come with such a sting
Here's a day I never thought I'd see
Such a pretty one would make me wanna run like you did

Now, dear Jane, yeah I'm writing you to say we're no good toget
her
Oh Jane, yeah I'm going to find a way to float away like a feat
her
I don't want to hurt you but I got to make a change
Oh, all I can say is that I hope you feel the same
Dear, Jane

Oh, Jane
You know it's easy to write that you want it to end
But the hard part comes when you got to hit send
No I never could send it now, I never did send it
You know it's easy to write that you want it to end

But the hard part comes when you got to hit send
No I never could send it now, why can't I just send it?
