

# Out Of My Mind

The Madden Brothers

When I saw you at this time  
I dreamed of days when you'd be mine  
Patiently I waited for a sign  
You said we'd meet after the show  
I spend the night getting to know  
All the things about you that are so

Beautiful, and so much more than I deserve  
You got me in love, out of my mind  
You got me in love, out of my mind

Through years of time, of rings to bind  
And little ones for us to guide  
Imagining that love could never die  
You tell me where that's where I'll go  
I'll spend my life getting to know  
All the things about you that are so

Beautiful, and so much more than I deserve  
You got me in love, out of my mind  
You got me in love, out of my mind

How's a life supposed to thrive without the love to immunize  
The fear comes from being alone  
Together we have each other  
Always and forever knowing  
We are, we are, we are home

I've followed you to Saint Tropez  
Even if we're turned away  
Just because they say I'm not refine  
You never cared what others say  
Not ever on from that first day  
You've only ever cared I say you're mine  
You're so

Beautiful, and so much more than I deserve  
You got me in love, out of my mind  
You got me in love, out of my mind  
Oh, you got me in love, out of my mind
