

Beach-A-Boop-Boop

The Magnetic Fields

every day and every night
we are really outta sight

frankie's here, so's annette
we're having fun, looking wet

we're at the beach, we're having fun
we're always surfing, dusk 'til dawn
it's so hard to keep our swimsuits on

I'm gonna get me a groovy tan
so's I can get me a groovy man!
