

If There's Such a Thing as Love

The Magnetic Fields

Now the clock is striking one
So we might as well begin it,
As there's dancing to be done
And our time is not infinite.

If there's such a thing as love,
If there's such a thing as love,
I'm in it.

So you claim you love me too,
Lloyd's of London guarantee it.
Gaze into these eyes of blue,
You do love me I decree it.

If there's such a thing as love,
If there's such a thing as love,
Give me it.

When i was two and a half,
My momma said to me:
"Love is funny you will laugh
'Til the day you turn three."

Like a kitten up a tree
Needs a fireman to rescue it,
So your fireman i will be
And I'll really get into it.

If there's such a thing as love,
(such a thing as love)
If there's such a thing as love,
Let's do it.

I thought I'd known love before
That was not it but I thought it
So I thought I'd win the war
Or I never would have fought it

If there's such a thing as love,
(such a thing as love)
If there's such a thing as love,
I've caught it.
if there's such a thing as love,
(such a thing as love)
if there's such a thing as love,
I've caught it.
If there's such a thing as love,
(such a thing as love)
If there's such a thing as love,
Love caught it.
