

Don't Take Your Love

The Mannhattans

Don't take your love from me
Don't take your loving baby
Don't take you ever take it away baby
Don't take your love from me

I really don't think I can make it baby
Girl I build my whole life around you
Baby our life is life in you (me and you, me and you)

Don't take your love from me
I got to have your love by my side
Don't you ever take your darling, darling

Girl if you really turn my whole life around
If I can see you baby my love comes tumbling down
There's no words to express how I feel

You made all of my dreams become real
And together I'd know we can feel
A love so strong so strong

Don't take your love from me
Don't you ever, don't you ever
Take your love from me
I got to have it I need it oh baby baby

Look-a-here Will you just sit down for a minute.
I am goin to turn this light down.
What i am going to ask you it it won't take long.
you see baby I feel like I can't have a life if I can't
have it with you. I know I couldn't adjust to any other
life. Baby please don't take your love from me.
I know a man ain't suppose to cry heh,
baby if you leave me I swear I don't know what I'll
do please don't take your love from me

Don't take your love from me
Don't you take it from me
No, no, no, no, no, no, no I got, I got to, I got to
have it
yeah, yeah, yeah
