

## Shining Star

The Manhattans

Honey, you are my shining star  
Don't you go away  
Wanna be right here where you are  
until my dying day

So many have tried, tried to find  
a love like yours and mine

Girl, don't you realize  
how you hypnotize?  
Make me, love you more each time

Honey I'll never leave you lonely  
Give my love to you only  
to you only, to you on - ly

Honey, you are my shining star.  
Don't you go away.  
Wanna be right here where you are  
until my dying day.

Feels so good when we're lying here next to each other,  
lost in love.

Baby, when we touch, love you so much.  
You're all I ever dreamed of.

Honey I'll never leave you lonely;  
give my love to you only,  
to you only, to you only.

Honey, you are my shining star.  
Don't you go away.  
Wanna be right here where you are  
until my dying day
