

## After All

The Marvelettes

Well, I asked myself  
Why do you always treat me bad?  
Why do you always make me so sad?  
After all (After all)  
After all, I'm the one who loves you (I'm the one who loves you  
)  
I'm the one who loves you (I'm the one who loves you)

Well, I ask myself  
Why do you always hurt my pride?  
When you know I know you know  
I'll always be by your side  
After all (After all)  
After all, I'm the one who loves you (I'm the one who loves you  
)  
I'm the one who loves you (I'm the one who loves you)  
Yeah

If you want to venture out  
And look anywhere (Anywhere), anywhere (anywhere) in this world  
Ah, just you wait and see  
You'll be back to me  
You'll never find a love like mine in any other girl

And when you come back to me, uh-huh  
Then I guess I'll have to take you in  
Oh, and we can start all over again  
After all (After all)  
After all, I'm the one who loves you (I'm the one who loves you  
)  
I'm the one who loves you (I'm the one who loves you)  
Why can't you see (I'm the one who loves you)  
This love in me (I'm the one who loves you)  
Oh, don't you know (I'm the one who loves you)  
I love you so (I'm the one who loves you)  
After all (I'm the one who loves you)  
I'm the one who loves you (I'm the one who loves you)  
I'm the one who loves you (I'm the one who loves you)  
No matter what you do (I'm the one who loves you)
