

## Charlie's Army

The Menzingers

I guess I should tell her I'm sorry  
I never showed up to the party  
Yeah, I got into a misunderstanding  
With her old boyfriend named Charlie

Yeah, I love, I love my Juliet  
But her ex-boyfriend wants me dead

But tell your men I ain't afraid to die

When I first met her I fell in love  
And she smiled because she knew  
We were day drinking in Brooklyn  
It was death in the afternoon, yeah

I love, I love my Juliet  
But her ex-boyfriend wants me dead

Charlie's army is coming for me  
Charlie's army is coming for me  
He says, "Boy, you're gonna be sorry"  
Charlie's army is coming for me

Tell your men I ain't afraid to die  
If loving Julie is a capital crime  
Tell your man I ain't afraid to die  
If loving Julie is a capital crime

I ain't gonna tell him I'm sorry  
'Cause it's me and her after the party  
No need for a misunderstanding  
'Cause nothing's gonna change my mind, yeah

I love, I love my Juliet  
But her ex-boyfriend wants me dead

Charlie's army is coming for me  
Charlie's army is coming for me  
He says, "Boy, you're gonna be sorry"  
Charlie's army is coming for me

Tell your men I ain't afraid to die  
If loving Julie is a capital crime  
Tell your men I ain't afraid to die  
If loving Julie is a capital crime
