

## Them Never Love Poor Marcus

The Mighty Diamonds

Them never love, never love, never love poor Marcus-  
they never love him, oh no  
Them never love, never love,  
Never love poor Marcus

Till they betray him  
Him own brethren sell him fe rice 'n' peas  
They didn't know there would be days like this  
Now do you man waste in such a squeeze, yeah

Men like Bag O' Wire should burn in fire  
The betrayer of Marcus Garvey

'Til the betray, one bredren sell him for rice and peas  
They didn't know there would be days like these  
Now the human race in such a squeeze, mmm Yeah

Men like Bag O' Wire should burn  
In fire fire fire, Lord betrayer.

Black man come together, unity is forever
