

## Sing, Sparrow, Sing

The Milk Carton Kids

Sing, sparrow, sing loud  
Hide under here  
Little voices sound bigger now  
Who could be listening through the clouds?  
Sing, sparrow, sing loud  
Hide under here

Sing, sparrow, sing loud  
Hide under here  
Don't you fear the noise; boys are boys  
Spare us a world of what fate destroys  
Then sing, sparrow, sing loud  
Hide under here
