

## I Forgot

## The Moldy Peaches

Down in the alley  
What's your mother made of?  
Heads up, seven up  
Ding dong, come in

I left my wood paneling  
On the embassy coat rack

Where is mankind?  
My big black behind  
Follow your star  
Play your guitar

I said candy land  
He said toy land  
Queen frosting  
Eleventeen marzipan

Adam?  
I forgot

Where is mankind?  
My big black behind  
Follow your star  
Play your guitar

Ahh
