You're not only cuddly toy that was ever enjoyed by any boy You're not the only choo-

choo train that was left out in the rain

The day after Santa came

You're not the only cherry delight that was left out in the nig

And gave up without a fight

You're not the only cuddly toy that was ever enjoyed by any boy

You're not the kind of girl to tell your mother The kind of company you keep I never told you not to love no other

You're not only cuddly toy that was ever enjoyed by any boy

choo train that was left out in the rain

You must of dreamed it in your sleep

The day after Santa came

You're not the only choo-

You're not the only cherry delight that was left out in the nig

And gave up without a fight

You're not the only cuddly toy that was ever enjoyed by any boy

you're not the kind of girl to tell your mother The kind of company you keep I never told you not to love no other

You're not only cuddly toy that was ever enjoyed by any boy You're not the only choo-
