

No Time to Turn Around

The Moog

Tell me what you need
Everyone recedes
Ohh, would you like to lead
Your time is here succeed
Wake up don't be late
Act like you create
Only quietly dictate
Ohh you look really great

OHHHHHHHHHHHHHh
You will fall to the ground
No time to turn around

Someone plans a raid
How will you evade
Ohh you shouldn't be afraid
Every fray can be delayed

OHHHHHHHHHHHHHh
You will fall to the ground
No time to turn around
