

As Long As

The Motels

As long as I'm with you
I feel I'm still
As long as I am still
I can still love

As long as you are here
I am with you
As long as I believe
I know you're true

As long as you need light
I'll hold the sun
As long as you need stars
I'll bring the night

As long as I'm alive
I'll live for you

As long as I'm with you
I feel I'm still
As long as I am still
I can still feel

As long as I have strength
I'll fight for you
As long as I can breathe
You will be safe

As long as you need light
I'll hold the sun
As long as you need stars
I'll bring the night
As long as you need light
I'll hold the sun
As long as you need stars
I'll bring the night

As long as you need light
I'll hold the sun
As long as you need stars
I'll bring the night
As long as you need light
I'll hold the sun
As long as you need stars
I'll bring the night

As long as I'm alive
I'll live for you
