

Dressing Up

The Motels

Ugly to keep beauty intact
I can see through your buttons, buttons
It must feel nice
It must feel nice
Christian Dior he works so hard
Poor man poor man
He drives a better car

So you take a walk downtown
Way way downtown
To the fashion capitol
Ask wino where he got his shoes
Ooh it sure feels nice
Decked out in your sharkskin suit, alright
Outfitted to fit in
I sure feels nice yeah

To the fashion capitol
Ask wino where he got his shoes
Ooh it sure feels smooth
Decked out in my mohair suit alright
Outfitted to fit in
It sure feels nice yeah
