

Hungry

The Motels

You walk through the door
I see that look in your eyes
I know what's coming
And I need it tonight
Only one step away from love
Only one kiss before it's done

'Cause I'm hungry for the moment
I can't hold you tonight
I get hungry in the morning
Hungry every night

You turn me on
There's nothing I can do
I'm one step beyond
As I lie here with you
Now every part of me is yours
I take you all tonight, no way

'Cause I'm hungry for the moment
I can't hold you tonight
I get hungry for the morning
I'm hungry every night

I shudder, I shake
Alive in a dream
Every touch of your hand
Is inside of me
I shiver cold as you caress
I take a hold of tenderness

'Cause I'm hungry for the moment
I can't hold you tonight
And I'm hungry in the morning

'Cause I'm hungry
'Cause I'm hungry
'Cause I'm hungry
