

Nobody

The Motels

I got to have it
Cause I really want it
I got to have it tonight
I've had a taste now
I need the know how
So I can breathe it tonight

And nobody's gonna do like I do
Nobody can, nobody can
Nobody's gonna do like I would
Nobody could, nobody could

I crave the feeling
Crash through the ceiling
Only to land in the arms of love
Where's your forgiveness
For my deliverance
As it rains down from up above

And nobody's gonna do like I do
Nobody can, nobody can
Nobody's gonna do like I would
Nobody could, nobody could

And I will set the world on fire
Just to watch it burn

And nobody's gonna do like I do
Nobody can, nobody can
Nobody's gonna do like I would
Nobody could, nobody could

Nobody's gonna do like I do
Nobody can, nobody can
Nobody's gonna do like I would
Nobody would, could, should, would, could
