

Directly From My Heart To You

The Mothers of Invention

Direct
Directly from my heart to you
Direct
Directly from my heart to you
Oh, you know that I love you
That's why I feel so blue

Oh, I pray
Our love would last away
I pray
That our love would last away
Yeah, we'd be so happy together
But you're so far away

Well, I need
(Oh, baby, need you baby)
I need you by my side
Well, I need
Yes, I need you by my side
Oh, I'd loved you little darlin'
Your love I could never hide
