

To the grave and back again.
It's been so long, friend, how ya been?
Can you find it in your heart to just let me in?
Or I could just bash in your door again.

Dripping from my fingers,
Pouring from my heart.
I can't stay away,
I'm yours until it falls apart.

I see you're feeling hesitant,
Your reservation's evident.
I could smash in your windows and slash all your tires.
Can we just do this the easy way?

Dripping from my fingers,
Pouring from my heart.
I can't stay away,
I'm yours until I fall apart.

Why can't we move on
Like none of this ever
Even happened?
