

Hangin' on to You

The Mr. T Experience

I keep losing everything and I think I'm losing myself in this empty

space caused by all the things I've lost. I keep losing everything I get

I lose track of time and I don't know where I'm at sometimes I forget

the alphabet too but oo oo I'm hangin' on to you cause you're the only

thing I got left to lose and I can't let you disappear so I'm not gonna

screw this up here if it's the last thing I ever do, I'm hangin' on to

you. When I look at your face I feel like I gotta place my hand on your

knee surreptitiously on top of each kiss I'm stealing you know that I

can't stop unpeeling you I feel so down when I'm not feeling you up so

oo oo I'm hangin on to you cause you're the only thing I got to hang on

to I can't let you get away I can't think of a better way if it's the

last thing I ever do I'm hangin' on to you oo oo...I'm hangin' on to you

cause you do everything I'm into time is of the essence I'd like to deal

with this mess inside if it's the last thing I ever do I'm hanging on to

you
