

Better Than Me

The Muffs

You wanna think, you're better than me
And I don't think, you're better than me

Why don't you stay away
Why don't you stay away

You give a damn, you're better than me
You're a man, you're better than me

Why don't you stay away
Why don't you stay away

From what you say and do
Don't you think there's something wrong with you

You get a job, you're better than me
And I'm a slob, you're better than me

Why don't you stay away
Why don't you stay away

'Cause I don't even care
I don't think you're really even there, even there

You comb you hair, you're better than me
You're aware, you're better than me

Why don't you stay away
Why don't you stay away

Why don't you stay away
Why don't you stay away
Why don't you stay away
