

Just A Game

The Muffs

Lookin' at you with a tear
Oh, oh
Just don't let it get to you
Oh, oh

Playin' on your sympathy
Now you're the bad guy, can't you see?
Don't you know it's just a game?

You fell for it, give me a break
Oh, oh
Takin' more than you can give
Oh, oh

Playin' up your misery
And you're the victim, can't you see?
Don't you know it's just a game?

Playin' on your sympathy
Yeah, you're the bad guy, can't you see?
Don't you know it's just a game?

Don't you know it's just a game?
Don't you know it's just a game?
