

She Drives Me Crazy

The Muppets

I can't stop the way I feel
Come my frog, what's the deal
Tell me what you've got in mind
Cause this pig's runnin' out of time
Treat me right, don't make me cry
Or I promise, this pig will fly
She drives me crazy like no one else
She drives me crazy, and I can't help myself
I can't get any rest
People say, I'm obsessed
Everything they say is true
Cause I can't get enough of you
Just say, I do, then it's agreed
I'll be the only pig you'll ever need
She drives me crazy like no one else
She drives me crazy, and I can't help myself
You won't make it without me
That is ???, guaranteed
You drive me crazy like no one else
You drive me crazy, and I can't help myself
You drive me crazy like no one else
You drive me crazy, and I can't help myself
You drive me crazy like no one else
You drive me...
