

Fireproof

The National

Dm **G**
You keep a lot of secrets
F **G**
And I keep none
Dm **G**
Wish I could go back
F **G**
And keep some

Dm
You're fireproof
F **G**
Nothing breaks your heart
Dm
You're fireproof
F **G**
It's just the way you are

Dm **G**
You tell me you're waiting
F **G**
To find someone
Dm **G**
Who isn't so hopeless
F **G**
But there's no one

Dm
You're fireproof
F **G**
Nothing breaks your heart
Dm
You're fireproof
F **G**
How'd you get so far?

Dm
You're a needle in the hay
F **G**
You're the water at the door
Dm
You're a million miles away
F **G**
Doesn't matter anymore

Dm **G**
Jennifer you are not the only reason
F **G**
My head is boiling and my hands are freezing
Dm **G**
Jennifer you are not the only one
F **G**
To sit awake until the wild feelings leave you

Dm
You're fireproof

Nothing breaks your heart
