1. Don't make me read your mind

Am Em F

You should know me better than that

C

It takes me too much time

Am Em F

You should know me better than that

C

You're not that much like me

Am Em F

You should know me better than that

C

We have different enemies

Am Em F

You should know me better than that

Am Em C

- R: I should leave it alone but you're not right

Am Em C

I should leave it alone but you're not right

2. Can't you write it on the wall?

You should know me better than that

There's no room to write it all

You should know me better than that

Can you turn the TV down?

You should know me better than that

There's too much crying in the sound

I should know you better than that

- R: I should leave it...

Am F C F

I should live in salt for leaving you behind

C F C

Behind

3. Think about something so much

You should know me better than that

Start to slide out of touch

You should know me better than that

Tell yourself it's all you know

You should know me better than that

Learn to appreciate the void

You should know me better than that

- R: I should live in salt for leaving you behind

Behind

I should live in salt for leaving you behind

Behind

I should live in salt for leaving you behind

Behind
