

Brave

The Nearly Deads

I am the lion hearted Warrior
I am steadfast
I am strong
I am invincible and powerful
I am courageous
I am fearless
I am free

I am brave
And you can't take that away
I'll keep fighting every day
And I will break and make mistakes
I will break
I will break
But I will always be brave

I'm the one who has to live
With all the choices that I've made
I am proud and I feel wonderful
I am majestic
And fantastic
I am free

And I am brave
And you can't take that away
I'll keep fighting every day
And I will break and make mistakes
I will break
I will break
But I will always be brave

And I will break and make mistakes
I will break
I will break
But I will always be brave
Yes I always be brave

I am brave
And you can't take that away
I'll keep fighting every day
And I will break and make mistakes
I will break
I will break
But I will always be brave
Yes I always be brave
