

# Afraid

## The Neighbourhood

When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place

Make that money, fake that bunny, ache my tummy  
On the fence, all the time  
Paint young honey, face so sunny, ain't that funny  
All my friends always lie to me  
I know they're thinking

You're too mean, I don't like you, fuck you anyway  
You make me wanna scream at the top of my lungs  
It hurts but I won't fight you  
You suck anyway  
You make me wanna die, right when I

When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might end up being me

Keep on dreaming, don't stop giving, fight those demons  
Sell your soul, not your whole self  
If they see you when you're sleeping, make them leave it  
And I can't even see if it's all there anymore so

You're too mean, I don't like you, fuck you anyway  
You make me wanna scream at the top of my lungs  
It hurts but I won't fight you  
You suck anyway  
You make me wanna die, right when I

When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might end up being me

Being me and only me  
Feeling scared to breathe  
If you leave me then I'll be afraid of everything  
That makes me anxious, gives me patience, calms me down  
Let me face this, let me sleep, and when I wake up  
Let me breathe

When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might take my place  
When I wake up I'm afraid, somebody else might end up being me
