

## Middle of Somewhere

### The Neighbourhood

I was on the outside looking in  
Now I'm on the inside trying to stay  
Out of my head  
I need peace of mind

Grew up pretty fast  
Good things never last  
You gotta live before you learn

Now I'm somewhere far  
Away from where I started  
With no point of return

But I'm turning

I was on the outside looking in  
Now I'm on the inside trying to stay  
Out of my head  
I need peace of mind

Landed in the middle somewhere  
With you  
Now you're stranded in the middle somewhere  
(Oh yeah)  
Too

Always running away  
Looking for an escape  
Everyone is an alien  
When you're trying to find your place

Trying to stay out  
Trying to stay out of my head  
Trying to stay out
