

## Staying Up

## The Neighbourhood

No food to eat,  
All the money's been wasted  
From last week  
I can't even leave  
So I sleep in the basement  
Making up rap beats

Hot cup of tea  
It's four o'clock  
In the middle of the night  
And I can't sleep  
It's all on the peak  
So bad I can taste it  
While it eats me

How can I sleep  
If I don't have dreams  
I just have nightmares  
How can it be  
I still believe  
Something is out there

Some part of me  
Feels a little bit naked and empty  
I'm stuck underneath  
A few dirty old blankets  
To comfort me

How can I sleep  
If I don't have dreams  
I just have nightmares  
How can it be  
I still believe  
Something is out there

How can I sleep  
If I don't have dreams  
I just have nightmares  
How can it be  
I still believe  
Something is out there

And there's a light  
And I can see why I'm still alive  
Mommy won't lie, cause if she did  
I would have died  
And all the time I sit and try  
You think I'd be down  
Every night, I'm sick and whine  
I'm staying up this time

How can I sleep  
If I don't have dreams  
I just have nightmares  
How can it be  
I still believe  
Something is out there

How can I sleep  
If I don't not havedrams  
I just have nightmares  
How can it be  
I still believe  
Something is out there
