

# Bang Bang Bang

The Nitty Gritty Dirt Band

Here she comes in her hot pink pedal pushers  
Bouffant hair from the Curl Up and Dye  
Cat mama shades with the rhinestone customizing  
Tell me I ain't one lucky guy

It's Friday night and the full moon's shining  
That always makes her just a little insane  
Eight o'clock and I hear her tires squealing  
Picking me up in her purple Fairlane

There's a band at the Rotary  
Just a two dollar cover charge  
We hear 'em playing as we're parking the car

And it's bang bang bang goes the drummer  
Twang twang twang goes guitar  
Dance dance dance little Dixie  
And there goes my heart

Never forget the first time I saw her  
Chuck Berry playing while she walked the dog  
Go-go boots and leopard skin body suit  
Beat 'bout anything I ever saw  
We did the stroll and the double watusi  
She never once let me catch my breath  
She kept me going like a steam locomotive  
Felt so good I liked to hurt myself

Now 'bout each and every weekend  
I watch her cuttin' up a rug  
Every time I just fall in love

And it's bang bang bang goes the drummer  
Twang twang twang goes guitar  
Dance dance dance little Dixie  
And there goes my heart

There's a band at the Rotary  
Just a two dollar cover charge  
We hear 'em playing as we're parking the car

And it's bang bang bang goes the drummer  
Twang twang twang goes guitar  
Dance dance dance little Dixie  
And there goes my heart

Bang bang bang goes the drummer  
Twang twang twang goes guitar  
Dance dance dance little Dixie  
And there goes my heart
