

# Southbound Train

The Nitty Gritty Dirt Band

I had a dream that I was in my Dixie home  
When my sleep was shattered by the telephone  
It was Samantha and she said darlin' boy  
Can we get back together you're my pride and joy

Now I'm a southbound train  
Just a rollin' down the line  
Oh I'm a southbound train  
Headin' to that gal of mine

Picked up my car keys threw on my coat and hat  
And then I grabbed my suitcase and that was that  
Ran to my old Ford and slid behind the wheel  
Words can't tell you how I feel

Now I'm a southbound train  
Just a rollin' down the line  
Oh I'm a southbound train  
Headin' to that gal of mine

Ooh, sounds like thunder in the night  
Ooh, but there's no rain  
Ooh, that rumble that you hear  
It's me, I'm a southbound train

Well, I'm a southbound train  
Just a rollin' down the line  
Oh I'm a southbound train  
Headin' to that gal of mine

Now I'm a southbound train  
Just rumblin' down the track  
Oh, I'm a southbound train  
Ain't nothin' gonna hold me back
