Back Stabbers

(What they do) (They smile in your face) All the time they want to take your place The back stabbers (back stabbers) (They smile in your face) All the time they want to take your place The back stabbers (back stabbers)

All you fellows who have someone And you really care, yeah, yeah Then it's all of you fellows Who better beware, yeah yeah Somebody's out to get your lady A few of your buddies they sure look shady Blades are long, clenched tight in their fist Aimin' straight at your back And I don't think they'll miss

(What they do)
(They smile in your face)
All the time they want to take your place
The back stabbers (back stabbers)
I keep gettin' all these visits
From my friends, yeah, what they doin to me
They come to my house
Again and again and again and again, yeah
So are they there to see my woman
I don't even be home but they just keep on comin'
What can I do to get on the right track
I wish they'd take some of these knives off my back

(What they do)
(They smile in your face)
All the time they want to take your place
The back stabbers
(Back stabbers)
Low down, dirty

(What they do)
(They smile in your face)
Smiling faces
Smiling faces sometimes tell lies (back stabbers)
(They smile in your face)
I don't need low down
Dirty bastards (back stabbers)
