

Lonely Drifter

The O'Jays

Oh, lonely, lonely drifter
Oh, lonely, lonely drifter

As I sit here on the shore
Wondering what happened to me

Drifting away from the world
All alone without your, girl
I'm wondering will I forever be

A lonely drifter
Watching the waves
Lonely drifter
Slowly drifting out to sea
Lonely drifter

Cause I, I, I don't
Want to have to be a
Lonely, lonely drifter
A lonely, lonely drifter

When will it end
When will I not feel so bad
Must I go on this way
Maybe, maybe tomorrow they say
Or will it ever happen that way

A lonely drifter
Watching the waves
Lonely drifter
Slowly drifting out to sea
Lonely drifter

Is it too late for me
Lonely drifter
Help me, somebody
Lonely drifter
