

Stand Up

The O'Jays

Turn off the TV to avoid the news
Look up to heaven 'cause I'm so confused
Another child lost to the city
No place to hide, even the finest schools
Oh my

Somebody told me dark days would come
I know that I can't be the only one
That wants to know

If there's a heart out there
(Stand up, stand up, stand up)
If there's a heart somewhere
(Show love, show love, show love)
If there's a heart out there
(Stand up, stand up, stand up)
If there's a heart somewhere
(Show love, show love, show love)
Love wants to know your name

See, money makes the world go round, don't it?
But money brings the morals down, don't it?
Oh, some things money can't buy
Even if you spend every dollar in the world on it
Oh yeah

Somebody told me there will be days like this
And I can't be the only one that's wondering
Oh oh oh, oh, oh

If there's a heart out there
(Stand up, stand up, stand up)
If there's a heart somewhere
(Show love, show love, show love)
If there's a heart out there
(Stand up, stand up, stand up)
If there's a heart somewhere
(Show love, show love, show love)

All over the world
(I know we can make it better)
I know, But we gotta try
(I know we can make it better)
I know, I can hear love come to us
Calling to all of us
I know it starts with us
I know it starts

If there's a heart out there
(Stand up, stand up, stand up)
If there's a heart somewhere
(Show love, show love, show love)
Oh, If there's a heart out there
(Stand up, stand up, stand up)
If there's a heart somewhere
(Show love, show love, show love)

Love wants to know your name
Love wants to know your name
