

# Angels Watching Over Me

The Oak Ridge Boys

Well it's all night all day  
Angels watchin' over me, my Lord  
Well it's all night all day  
Angels watching over me, my Lord

Well I went down to the valley to pray  
Angels watchin' over me, my Lord  
My soul got happy I stayed all day  
Angels watchin' over my, my Lord

Now when my heart is sad and blue  
Angels watchin' over me, my Lord  
I call on Him to see me through  
Angels watchin' over me, my Lord

Well if you get there before I do  
Angels watchin' over me, my Lord  
Tell all my friends that I'm comin' too  
Angels watchin' over me, my Lord
