

# God's Gonna Ease My Troublin' Mind

The Oak Ridge Boys

Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
God's gonna ease my troublin' mind.

Mary and Martha, Peter and John  
Mary and Martha, Peter and John  
Mary and Martha, Peter and John  
They had trouble all night long.

Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
God's gonna ease my troublin' mind.

Down by the graveyard's stood and tall  
Down by the graveyard's stood and tall  
Down by the graveyard's stood and tall  
There laid the long rail as well as the short.

Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
God's gonna ease my troublin' mind.

If you get there before I do  
If you get there before I do  
If you get there before I do  
You can tell my friends I'm a comin' too.

Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
Troublin' mind, troublin' mind,  
Troublin' mind, troublin' mind  
God's gonna ease my troublin' mind.
