

God's Got It

The Oak Ridge Boys

Well if you need it
God's got it (God's got it)
God's got everything you need
Oh if you need it
God's got it (God's got it)
God's got everything you need
Well if you need it
God's got it (God's got it)
God's got everything you need
He's got every, everything a poor man needs

If it's money (God's got it)
God's got it (God's got it)
God's got everything you need
Well if its money (God's got it)
God's got it (God's got it)
He got everything you need
Give me money (God's got it)
God's got it (God's got it)
He's got everything you need
He's got every, everything a poor man needs

If it's a friend (God's got it)
God's got it (God's got it)
God's got everything you need
If it's a friend now (God's got it)
God's got it (God's got it)
He's got everything you need
You need a friend? (God's got it)
God's got it (God's got it)
He's got everything you need
He's got every, everything a poor man needs
(Listen to us now)

And God's got it (He's got it)
And God's got it (He's got it)
And God's got it (He's got it)
And God's got it (He's got it)
I'll try (He's got it)
I'll try (He's got it)
I don't have to try (He's got it)
Well let me try (He's got it)
He's got every, everything a poor man needs
God's got it!
